
April Springs Up Much News

Treating trauma through Shakespeare and Science.

Spring News Friends!

Our weekly, Monday Night **DE-CRUIT** classes are in full swing both in NYC and Fort Worth, TX.

While I wrap up my time at Syracuse University performing *Cry Havoc!* as well as a month-long run of Kate Hamill's *Pride & Prejudice* directed by Jason O'Connell, I thought I'd let you know what's coming up. By the way, my time at Syracuse has been one of the greatest theatrical experiences of my life!

Cry Havoc! is performing every weekend in May! From NYU's trauma conference, Plattsburgh, NY, The GoldLab Foundation in Boulder, CO, Feast of Crispian's Veteran Festival in Milwaukee, WI and finally to Boston for Bessel van der Kolk's international trauma conference.

Here are the details for upcoming *Cry Havoc!* performances...
