Yesterday - We Made a Call And YOU ANSWERED!

On New Year's Eve, we put out the call that we were \$1,000 short and we WOW did you respond. We more than made our goal!

Now, grad school tuition is paid and I begin classes Jan 16th. The extra amount will go towards book fees and the required student health insurance I must carry while attending Simmons University.

More updates to come but we wanted you to know that we made it and we are SO grateful. Thank you, thank you, thank you!
